NEW FOR 2008!

Malibu Two™ XL Angler

Let's go fishing. The Malibu Two XL Angler is one of the first tandem sit-on-tops specifically set up for kayak fishing. Over 450 lbs of capacity make this a great choice for two anglers and all of their gear. One of the most stable tandems on the market, the Malibu Two XL Angler is great for dads (and moms) who want to introduce the sport of fishing to their kids. Get in and get hooked!
